## Rising K to 1st Grade Summer Learning Packet

Attached, you will find a summer homework packet for your student. The activities in the packet were intentionally selected by the PreK-2 team to help prepare our students for the next year. It is important that your student completes this packet in full and returns it to their new teacher at the start of the 2022-2023 school year. PreK-2 students should be reading 15-20 minutes each day.

All students who return completed packets  
will receive a mystery prize!

### **Reading**

Reading for 15-20 minutes daily is your #1 priority this summer. This can be part of your bedtime or morning routine.

### **Math and Writing**

The rest of the packet contains 10 assignments for June, 15 for July, and 15 for August. Please help your student complete all pages over the course of the month by using a schedule that works best for your family. If additional scratch paper is needed for math, please attach it to the back of the packet.

For the writing prompts, please encourage your students to do their best writing. Guidelines for each grade:

**Kindergarten (going to K/1st):** Write 1-2 sentences. Stretch and shrink words to hear the sounds in words. Use neat printing, a capital letter at the beginning of each sentence, spaces between words, and correct punctuation.

If you have any questions or concerns regarding this summer homework packet, please feel free to send me an email at [mdoerfler@stcaseattle.org](mailto:mdoerfler@stcaseattle.org). Have a wonderful summer!

Sincerely,

*Ms. Doerfler*
